## BRIAN G. DAVIS, WATER RESOURCES DESIGNER, JOINS SKELLY AND LOY

HARRISBURG, PA - December 20, 2018 - Brian G. Davis is a Water Resources Designer working in our Environmental Engineering Group. He has seven years of engineering experience, ranging from erosion and sediment control and stormwater to PennDOT highway design. Brian performs hydrology and hydraulics, erosion and sediment control, and prepares NPDES permits. He recently assisted with basin design for various projects for Philadelphia Water Department.

Brian earned an Associate Degree in Civil Technology, and is working toward his Associate Degree in Engineering from Harrisburg Area Community College (HACC).

---

Now in its 49th year, [Skelly and Loy](http://www.skellyloy.com) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. Our services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
